**PROTECTIVE ORDER**  
**PERTAINING TO UNCLASSIFIED INFORMATION**

UPON application of the Government, and with consent of the defense:

WHEREAS, the defendant has certain rights under the United States Constitution, federal statutes, and the Federal Rules of Criminal Procedure, to pre-trial discovery;

WHEREAS, the Government recognizes its obligation to provide such discovery materials to the defendant, consistent with national security concerns, the need to protect public safety, and the confidentiality of ongoing investigations;

WHEREAS, the volume of discovery materials that the Government intends to provide to the defendant contains certain materials that, if disseminated to third parties, could, among other things, pose a threat to public safety and the national security and impede ongoing investigations;

IT IS HEREBY ORDERED, pursuant to Federal Rule of Criminal Procedure 16(d), that discovery materials provided by the Government to counsel of record shall not be further disseminated by the defendant or his counsel to any individuals, organizations or other entities, other than: (i) members of the defense team (co-counsel, paralegals, investigators, translators, litigation support personnel, the defendant, and secretarial staff); and (ii) defense expert(s). Each

of the individuals to whom disclosure of discovery materials is made shall be provided a copy of this Protective Order by counsel of record and will be advised by counsel of record that he or she shall not further disseminate the materials except by the express direction of counsel of record. In addition, counsel of record for the defendant or any defense investigator may show (but not provide copies of) discovery materials to witnesses or potential witnesses, if it is determined that it is necessary to do so for the purpose of preparing the defense of the case;

IT IS FURTHER ORDERED that all such discovery materials are to be provided to the defense, and used by the defense, solely for the purpose of allowing the defendant to prepare his defense to the charges in the Indictment, and that none of the discovery materials produced by the Government to the defense shall be disseminated to any other third party not described in the preceding paragraphs;

IT IS FURTHER ORDERED that nothing in this Order shall preclude the Government from seeking a further Protective Order pursuant to Section 3 of the Classified Information Procedures Act, 18 U.S.C. App. 3 § 3, to protect against disclosure in this case of any classified information disclosed by the Government;

IT IS FURTHER ORDERED that nothing in this Order prohibits the media from requesting copies of any items that are received by the Court as public exhibits at a hearing, trial, or other proceeding; and

FINALLY, IT IS ORDERED that nothing in this Order shall preclude the Government from seeking a further protective order pursuant to Rule 16(d) as to particular items of discovery material.
